

CARDIO CARE

To recognise the launch of **Isemid**[®] we are inviting a select group of vets to join us in offering care to your patients in congestive heart failure (CHF). Offer the benefits of our innovative products - **Isemid**[®] and **Cardalis**[®] to your patient and be a leader in cardiology. As part of this initiative you will receive:

A FREE month of **Cardalis**[®] for your next CHF case when you prescribe **Isemid**[®]

HOW IT WORKS:

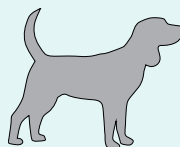

Order **Isemid**[®] using this form

Prescribe stage C therapy and send your patient info to your Ceva TM (BW/Breed/Animal Name)

Replacement **Cardalis**[®] is sent free of charge to your practice

PRODUCT	LIST PRICE	QUANTITY
Isemid 1mg (90 tablets)	£33.00
