Customised CPD: motivational practical & lecture tuition

Tailored to your requirements for optimum service & turnover!

- **Lectures:** no group size limit, available for all staff.
- **Practical:** up to six people per tutor for optimal learning.

Excellent value:

- ☑ The entire practice team gains CPD without multiple travel costs.
- ☑ Effectively creates an optimised service – & with your own equipment.
- ☑ Entire team educated – for a complete & cohesive result.
- ☑ Highly practical for immediate in-practice benefit.
- ☑ Low cost per person.
- ☑ Courses pay for themselves within days.

Topics include:

- Oral investigation
- Periodontology
- Oral radiography
- Dental clinics & marketing
- Extraction techniques
- Feline & rabbit dentistry

Combinations/ other topics customised to meet individual needs.

Time required: Thorough coverage enables immediate application in your practice. Where practical elements are included a 1-2day course is advised.

Typical format: 10am-4pm, morning lectures, afternoon practical

*Timing can be altered to fit around your schedule & busiest consult periods.
Notes, telephone and email support are provided*

Also available: Evening lectures & seminars
Client education evenings
